Nanos Advisory and Solutions Middle East FZ-LLC

1. Cookie Policy

By accessing our Website, you agree to use cookies as per our Privacy Policy in compliance with the applicable data protection laws of the United Arab Emirates, including Federal Decree-Law No. 45 of 2021 Concerning the Protection of Personal Data.

We install Cookies according to the Data Protection and Cyber Security Laws applicable in the United Arab Emirates, which are a part of the Privacy and Electronic Communications Directive, only with your consent to do so. Please select the option of your choice if you consent or do not consent to permit the use of cookies.

1.1 Use of Cookies.

The Company will use cookies, web beacons, unique identifiers and similar technologies to collect information about the pages browsed by the User, the links that the User clicked on and other actions of the User related to the visit and use of the Website.

The Company will have the right to use cookies, web beacons, unique identifiers and similar technologies to store information to make the use of the website more efficient, faster and safer, to improve the functioning of the website, as well as to provide advertising adapted to the interests of the User. The User can block, eliminate or disable these technologies if their web browser or device allows it.

The use of the website constitutes consent for our use of cookies. Cookies are microdata files stored on your computer to identify you and your past browsing information. They are used by most of the websites. We use cookies to:

1. Recognize you as a user of the Company

2. Customize the content you see;

3. Track the effectiveness of affiliate or marketing campaigns;

4. Collect basic information about your computer, device and browser to prevent security;

5. Breach and improve the functionality of the website.

We use “session” and “persistent” cookies to effectively achieve the above results.

“Session” cookies are used to improve the function of the website in a single session, “persistent” cookies remain on your computer after you log out to remember your preferences the next time you visit.

All cookies we collect are encrypted so that no third party can intercept or use the information collected in them. You can always choose not to use cookies on our site by using your browser’s cookie prevention plug-ins or plug-ins.

The Company will use cookies, web beacons, unique identifiers and similar technologies to collect information about the pages browsed by the User, the links that the User clicked on and other actions of the User related to the visit and use of the Website.

When we refer to “cookies” in this Cookie Policy, we mean both cookies and other automated means of data collection, as defined below. By visiting the Sites and interacting with or using the Sites, you expressly consent to the use of cookies as explained below. We ask our Clients to obtain consent on our behalf, when required by applicable data protection laws, so that we can use cookies and other automated means of data collection on their digital properties. This Cookie Policy does not govern the use of the Sites or the processing of Information (as defined in our Privacy Policy) collected on the Sites.

For more information about how we process your information on this website and when you use or interact with our Services, please see our Privacy Policy.

1.2 Cookies and other automated means of data collection.

This section provides more information about cookies and other automated means of data collection such as web beacons, and how they work.

The Company places cookies on the websites and digital properties of our Clients and uses these cookies as established in this policy. A cookie is a small text file that the websites you visit place on your computer’s hard drive (or similar device) browser. Most websites use cookies. Cookies are typically used to make websites work or function more efficiently, as well as to provide information to the owners of a particular website. Cookies make your use of the Sites and Services more enjoyable and improve the functionality of the services we provide to you.

The Company uses cookies to personalize the content and information that we may send or show you and personalize your experience while interacting with our Services.

a) WEB BEACONS

A small graphic images (also known as «pixel tags» or «clear GIFs») that may be included on our site, additional sites, services, applications, messaging, and tools, that typically work in conjunction with cookies to identify our users’ behavior.

b) LOG FILES

Like most standard website servers, we use log files. Log files track Internet protocol (IP) addresses, browser type, Internet service provider (ISP), referring/exit pages, platform type, date/time stamp, and number of clicks. We utilize this information to analyze trends, administer the site, prevent fraud, track website navigation in the aggregate, and gather broad demographic information for aggregate use.

1.3 We use the following type of cookies:

a) STRICTLY NECESSARY COOKIES

These cookies are essential because they enable you to move around our Services and use certain features on our Services. For example, strictly necessary cookies allow you to access secure areas. Without these cookies, some services cannot be provided.

b) PERFORMANCE/ANALYTICS COOKIES

These cookies collect information about how you use a website. For example, a performance/analytics cookie will collect information about which pages you go to most often, how much time you spend on that page, or if you get error messages from certain pages. These cookies do not gather information that identifies you.

The information these cookies collect is anonymous and is only used to improve how our Services work.

c) FUNCTIONALITY COOKIES

These cookies allow us to remember the choices you make and to tailor our Services so we can provide relevant content to you. For example, a functionality cookie can remember your preferences (e.g., country or language selection), or your username. Session Cookies. We use session cookies when you access our website or content. Session cookies expire and no longer have any effect when you log out of your account or close your browser.

d) CONTROL OF THE COOKIES

We would like to pay your attention to the fact that by using our site, you agree to us placing these types of cookies on your device and accessing them when you visit our website in the future.

You may disable browser cookies in your browser or set your browser to warn you when a cookie is being sent. You may lose some features or functionality when you disable cookies. Remember, also, that disabling cookies is browser specific.

We may modify or amend this Cookie Policy from time to time at our discretion. We encourage you to periodically review this Cookie Policy to be informed about how we are using cookies.
